

**Subject Area: SOCIAL STUDIES**

**Course: World Geography 3202 and 3200**

**Authorized Learning Resources:**

- Course Description
- Foundation for the Atlantic Canada Social Studies Curriculum
- World Geography (with teacher's edition) Oxford text
- A Curriculum Framework for Social Studies: Navigating the Future
- World Geography 3202 Curriculum Guide

**Description:**

This course focuses on four organizational themes:

- The Physical Earth
- The Human Response
- The Building Environment
- Economic Development.

This 'Honors' course examines the relationship between humans and the environment and how this relationship finds expression in activities that are spatially organized.
